

OCEAN ROAD

ROSÉ

BRAND STORY:

Australia is an island, and Australians love the coast. Our spectacular beaches frame the Australian way of life. Our shores are expressions of who we are. Whether swimming, snorkelling, surfing or sailing, Australians know the ocean, respect it, and love it. We also love our ocean roads. Scenic, winding, cliffhanging coastal arterials cling to the coastline and bring us to the water. To experience them is to bring a tear to the eye of the most hardened road tripper. Think the car window down, the briny breeze, the blue sea, the distant horizon and the aromas of the ocean enlivening the senses with all its natural beauty. Ocean roads are avenues to the nature of Australia, which is why we named our wine after them. Like our coastal roads, our wines are shaped by the terroir, influenced by the ocean and deliver an experience unrivalled. Welcome to the coastal world of Ocean Road wines; and a memorable trip of taste.

TASTING NOTE:

Just like the scenic ocean roads of Australia's coasts, this Rosé is refreshing and bright. Pale pink in colour, this wine has lifted fresh raspberry and floral notes on the nose, followed by a sweet red berry fruits palate with a silky clean finish.
