

Lobster Reef *Lighter*

BRAND STORY:

Rock Lobster! As long as anyone in the area can remember, these brightly coloured crustaceans have made the Marlborough coastline home. The team at Lobster Reef thought their quirky nature perfectly reflected what Lobster Reef wines are all about.

WINEMAKING:

The Lobster Reef winemaking team works closely with some of Marlborough's finest growers to ensure that only the very best fruit is selected for their wines. They pick their fruit at optimum ripeness, which is why their Sauvignon Blanc is smoother, gentler and less acidic than others. The Alcohol content is made lighter using reverse osmosis and all the flavour is captured by gentle and careful reductive handling of the grapes. This limits the ingress of oxygen and allows the fruit to show its full potential. This wine is what reflects the premium regional style that has made Marlborough world famous.

TASTING NOTE:

This Lighter in Alcohol and Lower in Calorie Sauvignon Blanc provides fresh tropical notes; followed by a light, crisp and clean palate. Hints of a very pale straw with green tints enhance the tropical and citrus fruit flavours. Enjoy it chilled, enjoy it with friends!
