

New Release!

**Lo Lo Wine Co.
Cabernet Sauvignon 2020
Red Hills, Lake County California**

Right from the first burst of dark fruit aromas, you know this wine means business. Late Summer-ripe black cherries dominate the nose, with a whiff of vanilla bean. Silky, yet bold textures, meld with the blackberry, dried cranberry and black plum fruit notes. The lovely finish is miles long, and lingers with hints of cherry cola, espresso and rich dark chocolate.

The Red Hills Vineyard

Elevation: 600 to 1200 feet. The grapes are harvested from both the valley floor, primarily alluvial soils with silty-clay composition of marine origin, and the hillside, showing more clay-loam and stony-clay composition with some volcanic outcropping.

Winemaker Dawne Sacchetti's Tasting Notes

This wine is crafted to showcase the richness of fruit from the Red Hills with firm tannins and a full, rich taste. This lush Cabernet delivers a striking balance of fruit, spice and the just the right touch of oak for a sultry, round finish.
